DESCRIPTION

(US 101 @ Kanan) Kanan Road Corridor, between Northern City Limits and Cornell Way. PSR-PDS phase to include analysis of Kanan Corridor between Northern City Limits and Cornell Way in Agoura Hills. Project will analyze various options to improve safety and mobility through the corridor for multiple modes of transport (vehicle, ped, bike), and will consider, among other things, signal timing, interchange improvements, road widening, lane reconfiguring, etc.

DESCRIPTION

Implementing Dynamic Corridor Ramp Metering System (DCRMS) in I-405 Sepulveda Pass Corridor (Interstate 405 from I-10 to SR101), a system-wide adaptive ramp metering strategy which simultaneously coordinates with arterial traffic signal operation. The system will dynamically adjust traffic according to current capacity restrictions caused by incidents or recurrent congestion. Improve traffic movement and access to freeway and major arterial including transit operation.

DESCRIPTION

The project is located parallel to 12 miles of the I-710 between SR-91 (Artesia Blvd) to SR-60 (Cesar Chavez Ave). The project consists of implementing Intelligent Transportation System (ITS) improvements such as communication upgrades, signal upgrades, signs, ramp metering, detection, cameras and systems throughout the corridor to more effectively manage congestion. No new Right-of-Way (ROW) acquisition is expected. All improvements are within the highway existing footprint.

DESCRIPTION

Pacific Coast Highway (PCH) Signal Systems Improvements from John Tyler Drive to Topanga Canyon Boulevard. The project limits are approximately 8 miles and include 12 signals along PCH. The project intends to interconnect the traffic signals to enable Caltrans to monitor and control the signals remotely and, if possible, for the traffic signals to adjust to real time traffic conditions. The project will also include additional intersection and traffic improvements.

DESCRIPTION

This project consists of constructing a raised median within 500 feet at the intersection of Pacific Coast Highway (PCH) and Paradise Cove Road in both directions wherever a double-double yellow line exists and extend the northbound left-turn lane by 100 ft. This project will also construct raised medians in areas where double-yellow lines exist in the vicinity of Zuma Beach, especially where yellow posts are currently installed.
